Petits Signes – Accessories  
Design by Elena Salmistraro

Petits Signes is a line of accessories created by the Italian designer and artist Elena Salmistraro. It takes its inspiration from the doodles she sometimes traces absentmindedly in her diary. Figurines, vases, flowers, trinket bowls, set squares, mugs, etc. Ceramic objects, all with a fun and poetic twist, unequivocally decorative, to bring a dash of sensibility and harmony into any kind of daily environment.

Made in Italy by the renowned Bosa, an expert company in this ancestral art.
